REVISION #5: US Eagle Enforcer Classics added to the contract Threat Level II and IIIA

Bid no. FV4911

Colorado Coop Bid # IFB-VESTS-MW04 now referred as IFB-VESTS-COOP-MW05

Master Price Agreement # 68000YYY01P

All Concealable Vests under this solicitation were NIJ LAB CERTIFIED Re-tested and these Concealable Vests on this contract passed this testing.

This is a multiple award: Please review MA1874 U S Armor (CVT), MA1941 Protective Products (CVT), MA1872 First Choice (CVT), MA1009 Skaggs, MA1530 PACA, MA1531 Point Blank, and MA1546 Gator Hawk.

This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the original PG. Agencies will return to the vendor any invoice which reflects incorrect pricing.

BALLISTIC PANEL SPECIFICATIONS

All ballistic panels shall be constructed of 100% DuPont Kevlar 129® Air Entangled and Honeywell/Allied Signal Gold Flex Fibers for increased softness and flexibility. Each ballistic panel shall be constructed as follows:

Ballistic Material Plies Aerial Density Thickness
KG2-12 & KG2F-13 24 15.6 sq. oz.
20KG3A-11 28 18.5 sq. oz. .29

Time available for purchase will be 4-6 week after receipt of purchase order.

Due to present ballistic material shortages throughout our industry brought about by mandatory material allocation schedules controlled by the Department of Defense, our current supply situation precludes us from offering standard G.S.A. scheduled products to your agency, and meeting the sixty (60) day required delivery schedule.

U.S. Armor Corporation offers the following items for the State of Colorado IFB-VESTS-COCOOP-MW05 Solicitation and Certified to the N.I.J.-Standard 0115.00
